

## **Gimmonix Privacy Policy**

Gimmonix values your privacy and therefore has set up this extensive Privacy-Policy in order to notify you when is data stored, what is being processed and what is being disclosed to other entities.

**What Personal Information Is Retained About You?** We retain some personally identifiable information, including the information you specifically provide us, your email address, your approximate geolocation, your browser type and device type, your IP address and the pages you viewed on our site.

**What Non-Personal Information Is Retained About You?** We retain some non-personally identifiable information, including your use of our services, as well as other information we may receive from you, provided that you were notified explicitly on such collection or retention.

**How Do We Process Your Information?** We shall process the information through service and use it in accordance to your requests. We process both personal and non-personal information into aggregated, non-personally identifiable information, use this information in an aggregated manner to display advertisements or content, share this information with our partners and affiliates that also offer services, where we may process the information in additional ways it may notify you.

**We Use Third Party Services.** We use Google's Tag Manager and Analytics to better understand how people use our services; we also use LinkedIn's and Salesforce's services. These services have their own privacy policies, which you should inspect.

**Do We Use Cookies In Our Service?** A Cookie is a small file stored on your computer which is used in interaction between your computer and our servers (or 3rd party servers). Cookies may sometime be used to identify you. We use a non-persistent cookie, which you can delete at any time. We use our cookies for retargeting and remarketing purposes.

**Who has Access to Your Information?** We provide access to your information solely to our employees and contractors who are under strict confidentiality obligations.

**How Can We Contact You?** We we shall never provide your email address to anyone else, however we may contact you periodically with our newsletters, or when we feel your account has been compromised or for other service related issues.

**Can You Amend the Information?** We respect your privacy and you may always send us an email to request the review, amendment or deletion of your personal information.

**What Can You Do If You Feel Your Privacy Was Invaded?** If You feel your privacy was invaded, you can always contact our privacy officer, by email or through our contact form, and file a complaint, our privacy officer will inspect the complaints within reasonable time and send you and answer promptly, our privacy officer also publishes periodical reports about such complaints, which you can find on our website or contact us directly. You can contact our privacy officer by email at [info@gimmonix.com](mailto:info@gimmonix.com)
